Basic Information

- Place of Origin: Shenzhen. China
- Brand Name: NCJ TECH
- Model Number: NUW01
- Minimum Order Quantity: 100
- Price: Negotiation
- Packaging Details: White box + Outer box (K=A)
- Delivery Time: 1: Sample and small order: Within 7 working days after receiving your payment. 2: Bulk order: 3-4 weeks after receiving your deposit.
- Payment Terms: T/T, Paypal
- Supply Ability: 10000pcs per month

Product Specification

- Material: ABS
- Certificate: CE, RoHS
- Power Consumption: 5W
- Input Voltage: 12V
- Size: 2.9"*3.7"
- Luminous Flux: 900LM
- Beam Angle: 45°
- Highlight: **Safe LED Swimming Pool Underwater Light, LED Swimming Pool Underwater Light 5W, 12V Aquatic LED Lights**

Product Description

12V 5W 45° LED Underwater Lights for and Consumption

Product Description:

Submersible LED Lights are a great way to light up a poolside or swimming pool. These LED Underwater Lights are designed with a 45° beam angle, making them perfect for providing ample light to the area. They are also extremely energy efficient with an impressive 900LM luminous flux while consuming only 5W of power. These lights are also highly durable, made from ABS material that ensures they last for a long time. With a size of 2.9"*3.7", these lights are perfect for any poolside or swimming pool.

Technical Parameters:

Features	Specification
Subaquatic LED Lights	Aquatic LED Lights
Underwater LED Lights	Input Voltage: 12V
Luminous Flux	900LM
Beam Angle	45°
Material	ABS
Certificate	CE, RoHS
Power Consumption	5W
Size	2.9"*3.7"

Applications:

NCJ TECH NUW01 subaquatic LED lights provide an efficient and cost-effective solution for underwater lighting needs. With a beam angle of 45° and luminous flux of 900LM, these lights are perfect for various aquatic applications, such as aquariums, underwater photography, and recreational activities. The power consumption of 5W makes them highly energy efficient, while the input voltage of 12V makes them safe and reliable. This model measures 2.9"*3.7" and is available in a minimum order quantity of 100 pieces. The package includes a white box and an outer box (K=A). NCJ TECH can provide 10000pcs per month and delivery time is 1-2 weeks after receiving payment. Payment can be made through T/T, Paypal, or other methods. The price is negotiable.
