Product Description

15W/30W LED Outdoor Flood Light IP65 Rated for Lighting

Product Description:

The LED Outdoor Flood Light is an energy-efficient lighting solution for illuminating outdoor areas. With its durable, weatherproof IP65 rating and advanced high-efficiency LED technology, this flood light offers superior lighting performance and long-lasting performance. The 15W (4400MA) and 30W (5200MA) models feature an outstanding Color Rendering Index (CRI) of >80, providing excellent color accuracy and clarity. This flood light is ideal for illuminating outdoor spaces such as gardens, patios, decks, and garages, as well as providing security lighting for pathways and walkways. With its reliable construction and easy installation, the LED Outdoor Flood Light is the perfect lighting solution for outdoor lighting.
