## Product Description

Energy-Efficient Waterproof Floodlighting Lamp - 1500LM Luminous Flux 180° Beam Angle

### Product Description:

This Waterproof LED Flood Light is a durable and reliable waterproof floodlighting lamp, perfect for a wide range of outdoor lighting applications. It features a 1500LM luminous flux, a 2-year warranty, a 4.92\*3.85\*4.92inch size, an IP65 rating and a 15W/30W power. It is perfect for outdoor lighting, landscape lighting, garden lighting, security lighting, and more, and is designed to provide superior performance in all weather conditions.

This waterproof LED flood light is resistant to dust, water, and other elements, making it very durable and reliable. Its high-quality components, waterproof construction, and superior illumination make it a perfect choice for any outdoor lighting application. It is also energy-efficient and comes with a 2-year warranty, so you can rest assured that it will remain safe and reliable for many years to come. Whether you need outdoor lighting for your garden, landscape, security, or any other application, the Waterproof LED Flood Light is the perfect choice.
