Product Description

Energy Efficient USB LED Illuminating Bulb with Customizable Color Temperature

Product Description:

Our USB LED Light Bulbs provide an energy-efficient lighting solution in a compact, easy to install package. These USB LED lamps feature a 5V voltage, 1000LM luminous flux, and two color options: warm white or white. This USB LED illumination is perfect for any space that needs a bright bulb that can be powered using a standard USB port. With their sleek design, our USB LED bright bulbs are the perfect lighting solution for any modern home. Additionally, these USB LED lamps are a great way to save energy and reduce your electricity bills.
